

Welcome to Room 3 at JSCCCC

JSCCCC Room 3 teachers would like to extend a big welcome to our new students and their parents. The children will be learning and doing different things in this class and we are looking forward to having a great year. If you have any questions or concerns feel free to come and talk to us. We will be very happy to assist you.

Thank you,

I have worked for Space Family Education Inc. for 5 years. I have been teaching children for over 20 years. For me there is nothing greater than to teach and letting me be a part of your children's lives. I have my First Aid, CPR and CDA requirements and I am stilling getting training throughout the year. When I have time to enjoy myself I like to go to the movies or sit in my backyard and listen to my favorite radio station. I live with my husband and two sons. One is in high school and the other attends college. I hope you will enjoy your child attending SFEI as much as I enjoying teaching!

I enjoy working with young children, teaching them, helping them grow independently and helping them discover new things. I strive to make sure that the children in my care feel safe and loved at all times. I have worked in Space Family Education Inc. for 10+ years and have over 450 hours of Early Childhood Education. I'm also CPR and First Aid certified and have taken the CDA courses. I plan to return to college to get my degree.

I have been married for 17 years to my high school sweetheart and we have three children, two sons 16 and 6, and one daughter 12. On my spare time whenever I get it I enjoy watching soccer and baseball on TV. I am the Assistant Coach and Team Mom for my daughter's soccer team and help out with my youngest son's team when needed. I am glad to have this opportunity to care for your child and I look forward to a great year.

Birthday: June 13

I have been working here since February 2006 and I was teaching Summer Camp this summer. I'm actually quite new to the South. My husband and I moved to Texas last September. "Y'all" and "fixin" are two words that are definitely not in my vocabulary! I have been working with children for quite sometime now. I've worked as a camp counselor and staff member for years. I also have a lot of experience working with special needs children. This is also my fifth year as a certified lifeguard. I normally spend my free time reading, relaxing, or at the beach. Some other things I enjoy are camping, theatrical productions and cooking. I am also a huge movie buff. I'm planning on returning to school soon and getting my bachelor's degree in upper level elementary education. I can't wait to become a certified teacher!

I am very excited to begin this new school year! I look forward to working with each and every one of your children and you the parents as well.
